

Spring Term Report 2016

Introduction

Despite being quite short term, we have certainly packed in lots of sporting opportunities! Thanks to all schools for their continued support of the events. Once again we had good cluster representation at the Winter School Games events. Congratulations to the cross country team from Droitwich and Worcester City, including five pupils from our cluster, who were the overall winners of the Winter School Games cross country. Well done also to Cherry Orchard boy's team who won a bronze medal at the Indoor Athletics event.

Pupil Opportunities

January saw our pupils compete at the annual year 4 Quicksticks competition. As always, standards were high in both the small and large schools competition, well done to Nunnery Wood and Whittington for getting through to the finals.

The Droitwich and Worcester City cross country took place on a sunny February afternoon at RGS and was well supported by our schools. It was a really fantastic event and congratulations to the five cluster pupils who qualified for the Winter School Games Event.

Our Cluster Girls Football tournament was a great afternoon of sport. The girls demonstrated some excellent skills on the pitch and fantastic sportsmanship too. Well done to the 'Cherries' who were the eventual winners of the tournament.

The year 3 and 4 pupils turned out in force for the Cluster cross country event. The course, once again, went round the field at Cherry Orchard and on into Blessed Edwards before a sprint finish back into Cherry. It was great to see medals going to pupils from all the schools including several year 4 pupils defending their titles and medals from last year!

Our Cluster Netball tournament in March was a fun evening of play. Several pupils demonstrated good levels of skill on court. In the end it came down to the last match between Whittington and Cherry Orchard to determine the winners. Well done to Whittington who came out victorious to take home the trophy.

Our final event of the term was the Cluster Tri-Golf qualification event. With extra points being awarded to the star players and the best teamwork the challenge was on. Well done to Whittington who, with fantastic scores, won both the girls and boys team events and go through to the Droitwich and Worcester City event.

Sports Society

Sports Society has been busy preparing their 'Active Playtime' cards, including making up their own game. We are hoping to try out the games they have chosen and share them with their peers during the Summer Term. The date of our next meeting is May 26th at Cherry Orchard.

Key Dates for Summer Term 2016
